

"We must never be afraid to go too far,
for truth lies beyond."

"We are able to find everything in our
memory, which is like a dispensary or
chemical laboratory in which chance
steers our hand sometimes to a soothing
drug and sometimes to a dangerous
poison."

PROUST

"Three-quarters of the sicknesses
of intelligent people come from their
intelligence. They need at least a
doctor who can understand this
sickness."

"Illness is the doctor to whom
we pay most heed; to kindness,
to knowledge, we make promise
only; pain we obey."

"The real voyage of discovery
consists not in seeking new landscapes,
but in having new eyes."
